WHERE:
Room N452

WHEN:
Weds. 4/5/17
10am-noon

BMCC's Sanctuary Working Group is concerned with preserving the rights of all of BMCC's students to their education and to insuring that every student feels safe and supported while attending college. **Join us for a morning of presentations and Q&A with representatives from BMCC's many programs that are working to provide services for students related to issues of sanctuary.** Topics addressed during this information session may include:

- Legal services related to immigration status
- Tuition assistance and other financial supports
- Assistance for students facing criminal justice issues
- Mental health services
- Support for LGBTQIA+ students
- Remedies to academic challenges due to sanctuary related circumstances

Co-Organized by: Kirsten Cole (Teacher Education Department) and Soniya Munshi & Shirley Leyro (Department of Human Services, Social Sciences, and Criminal Justice)
